

RESOLUTION NO 24-R-88

A RESOLUTION TO APPROVE FUEL SYSTEM PURCHASE

WHEREAS, the Tinley Park-Park District is located in Cook & Will Counties of Illinois, and

WHEREAS, discussions have occurred for quite some time now regarding implementation of a fuel management system. Through much research of various products, staff have determined the Gasboy Prime product by Anderson Pump accomplishes what we want out of the system and is the best value to purchase and use; and

WHEREAS the pricing for this unit includes the purchase and installation meeting Prevailing Wage requirements; and

WHEREAS, this unit's software will have better accountability for fuel dispensing and tracking than our current procedure as each user will be assigned a swipe card to dispense fuel. The system will also help to track accurately where all the product is going through the system; and

WHEREAS, The Board of Commissioners of the Tinley Park-Park District finds that it is in the best interest of the District to approve the fuel system purchase to Anderson Pump Service Inc. for \$14,259.

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of the TINLEY PARK-PARK DISTRICT as follows:

SECTION 1: The Preambles hereto are hereby made a part of, and an operative provision of, this Resolution as if fully restate herein.

SECTION 2: The Request attached hereto as Exhibit 1, and made a part hereof, is hereby approved.

SECTION 3: That this Resolution shall be in full force and effect on the date approved and passed by the Board of Commissioners of the TINLEY PARK-PARK DISTRICT.

Approved and passed this 18th day of December 2024.
