

RESOLUTION NO 25-R-02

A RESOLUTION APPROVING THE MICROSOFT LICENSING UPGRADE

WHEREAS, the Tinley Park-Park District is located in Cook & Will Counties of Illinois, and

WHEREAS, the park district plans for IT upgrades annually and budgets accordingly. The park district's Microsoft licensing for our servers needs to be upgraded to stay current with latest versions to prevent from falling behind as well as keeping everything current with the latest patches; and

WHEREAS, this will continue to keep us up to date with the cybersecurity requirements by our insurer; and

WHEREAS, staff recommends using Mindsight to purchase the Microsoft licensing for \$21,610; and

WHEREAS, the Board of Commissioners of the Tinley Park-Park District finds that it is in the best interest of the District to approve the purchase of Microsoft licensing upgrade from Mindsight for \$21,610.

NOW, THEREFORE, BE IT RESOLVED by the Commissioners of the TINLEY PARK-PARK DISTRICT as follows:

SECTION 1: The Preambles hereto are hereby made a part of, and an operative provision of, this Resolution as if fully restated herein.

SECTION 2: The Request attached hereto as Exhibit 1, and made a part hereof, is hereby approved.

SECTION 3: That this Resolution shall be in full force and effect on the date approved and passed by the Board of Commissioners of the TINLEY PARK-PARK DISTRICT.

Approved and passed this 15th day of January 2025.

Microsoft Server 2022 and SQL 2022 Licensing Perpetual Licensing Model

1.0	Windows Server 2022 Datacenter - 16 Core. Windows Server 2022 is the cloud-ready operating system that supports your current workloads while introducing new technologies that make it easy to transition to cloud computing when you are ready. It delivers powerful new layers of security along with Azure-inspired innovation for the applications and infrastructure that power your business. Windows Server 2022 Datacenter is for highly virtualized datacenter and cloud environments. Includes new datacenter functionality including shielded virtual machines, software-defined networking, storage spaces direct and storage replication. Each purchase includes 2 core licenses. A minimum of 16 core licenses (eight 2-core packs) is required per server. If your server has more than 16 cores, you will need to buy additional licenses (see Windows Server licensing page for details.) You also need to purchase Windows Server Client Access Licenses (CALs) for every user or device accessing the server.	8	\$ 1,520.00	\$ 12,160.00
2.0	Windows Server 2022 Datacenter - 2 Core. Windows Server 2022 is the cloud-ready operating system that supports your current workloads while introducing new technologies that make it easy to transition to cloud computing when you are ready. It delivers powerful new layers of security along with Azure-inspired innovation for the applications and infrastructure that power your business. Windows Server 2022 Datacenter is for highly virtualized datacenter and cloud environments. Includes new datacenter functionality including shielded virtual machines, software-defined networking, storage spaces direct and storage replication. Each purchase includes 2 core licenses. A minimum of 16 core licenses (eight 2-core packs) is required per server. If your server has more than 16 cores, you will need to buy additional licenses (see Windows Server licensing page for details.) You also need to purchase Windows Server Client Access Licenses (CALs) for every user or device accessing the server.	10	\$ 190.00	\$ 1,900.00
3.0	SQL Server 2022 Standard Core - 2 Core License Pack. SQL Server 2022 standard edition is for mid-tier applications and data marts with up to 24 cores of CPU and 128 GBs of memory. It enables you to gain intelligence over all your data both structured and unstructured by combining the power of the new Big Data Clusters capability with enhanced data virtualization. These powerful additions to the product enable enterprises to not only store and query big data at scale, but also combine it with customer data wherever it may reside (SQL Server, Oracle, Mongo, PostgreSQL etc.). SQL Server also includes built-in AI capabilities to enable a comprehensive analytics and AI solution for all a company's data needs.	2	\$ 975.00	\$ 1,950.00
4.0	SQL Server 2022 - 1 Device CAL. A Client Access License (CAL) is required for each user or device that accesses the server software. You'll need user or device CALs for each user or device that accesses the server software. This purchase includes 1 Device CAL.	100	\$ 56.00	\$ 5,600.00
