The Playhouse Theater presents **SHERLOCK HOLMES**

A highly entertaining adaptation of Sir Arthur Conan Doyle's famed detective story, combined with mystery, romance, action, danger, and laughter. Alice Faulkner has letters written by a dead girl that will cause grave international problems. Moriarty wants those letters; so does Sherlock Holmes. The game's afoot! Not before Professor's gang has London in its grip, only does young Holmes understand the true objective the professor has in mind, and he's willing to to put his own life on the line to stop it.

"This is a tale that we want to believe in,
that creates a world we seem to
desperately desire, free of the blatant
commercialism that surrounds us, where
love and decency and generosity of spirit
are their own rewards. What we want
Christmas to be all about, really."
