Chapter 6. Permits

Sec. 6.1 Permit Process

For purposes of this section, the term "exercise of First Amendment rights" shall include, without limitation, parades, marches, demonstrations, rallies, religious services, speeches, solicitation of votes, petition signatures or contributions, picketing, and leafleting.

- a. Permits may be granted upon proper application and approval where the applicable section of these Ordinances or any other District ordinance, policy, rule, or regulation requires a permit in order to engage in a particular use or activity.
- b. Every person requesting a permit shall complete and file a written application with the Executive Director or his or her designee on forms provided by the District and pay applicable application fees at the District's administrative offices located at 8125 West 171st Street, Tinley Park IL. The application shall be dated and stamped when received and a receipt shall be issued to the applicant.
- c. Unless otherwise provided in another section of these Ordinances or District ordinance, rule, or regulation, all applications for permits not involving the exercise of First Amendment rights must be received by the District at least sixty (60) calendar days prior to the use for which a permit is sought. Applications for permits involving the exercise of First Amendment rights must be received by the District at least thirty (30) working days prior to the event requested.
- d. Except for applications for permits involving a commercial activity or for the sale or delivery of alcoholic beverages, the District shall issue the requested permit without reasonable delay unless:
 - i The proposed activity violates any federal, state, local, or District law, rule, or regulation;
 - ii A prior application for a permit for the same date, time, and location has been or will be granted and the use authorized by that Permit does reasonably allow multiple occupancy of that particular location by more than one permittee;
 - iii The proposed use is of such a nature that it cannot reasonably be accommodated in the particular location applied for, considering, without limitation, the likelihood of such things as damage to District resources or facilities, damage to an environmentally sensitive or protected area's ecosystem, impairment of a protected area's atmosphere of peace and tranquility, unreasonable interference with District functions, buildings, facilities, operations, programs or activities, or unreasonable interference with the use or purpose of the District property applied for;
 - iv The proposed use would substantially impair the operation or use of facilities or services of District concessionaires or contractors; or
 - v The proposed use would so dominate the use of District property as to preclude other persons from using and enjoying them.

- e. If the application is approved, the District shall issue a written permit to the applicant. If the application is denied, the District shall issue the applicant written reasons for denying the application.
- f. If an application is denied on the basis of a scheduling conflict or inappropriateness of the location, duration, or time of the activity, the District will make a reasonable effort to arrange an alternative location, duration, or time that is acceptable to the applicant. If the District denies an application pursuant to section (specific sections), or the applicant is dissatisfied with such Permit as issued, he may appeal the decision to the Board. If the Board rejects the appeal after full review, or if time for full review is not available, the applicant may appeal the decision to the appropriate state or federal court. All other decisions on the issuance of permits by the District are final.
- g. Any permit granted by the District shall contain lawful prerequisites to the issuing of the Permit and restrictions on the conduct of the permitted use including without limitation: payment of a reasonable fee; general liability insurance coverage; an agreement to fully indemnify and hold the District harmless from any liability or costs resulting from the use; a requirement that the persons involved in the use observe all federal, state, local, and District laws, ordinances, rules, and regulations; time, duration, and location restrictions; restoration deposit; a written agreement by the applicant to fully restore any District property soiled or damaged by the use; and, any reasonable restriction necessary for the efficient and orderly contemporaneous administration of the use, other activities with a permit and regular District uses, functions, programs, and activities.
- h. Any person holding a valid permit issued by the District for use of District property may use that District property to the exclusion of any other person except the District and its employees and authorized agents.
- i. Subject to the terms of subsection (g) above, the District may make necessary changes or place necessary additional restrictions on any permit after it has been issued.
- j. Violation of the terms, restrictions and conditions contained in the permit may result in the suspension or revocation of the permit.
- k. Unless as specifically provided elsewhere in the Ordinances, no permit shall be issued for a period in excess of seven (7) consecutive calendar days with the exception of some Tinley Park Youth Sports Organizations. A permit may be extended for like periods of time pursuant to a new application, unless another person has requested use of the same location and use of that location by more than one permittee is not reasonably possible.
- l. For uses involving the exercise of First Amendment rights, the District may waive any application or permit fees if the applicant demonstrates that the cost of such fees is prohibitive. An applicant must request such a waiver in writing.

All village, county, state, and other law enforcement authorities shall be responsible for the enforcement of all federal, state, local, and District laws, ordinances, rules, and regulations on District property.

- a. In all cases where the same offense is made punishable or is created by different clauses or sections of these Ordinances, the prosecuting officer may elect under which to proceed, but not more than one recovery shall be had against the same person for the same offense; provided that the revocation of a license or Permit or fine imposed in an administrative hearing shall not be considered a recovery or penalty so as to bar any other penalty being enforced.
- b. Where an act or omission is prohibited or declared unlawful and no penalty or fine or imprisonment is otherwise provided, the offending person shall be fined not less than \$100 nor more than \$1,000 for each offense. Each day that a violation continues shall be deemed a separate offense. In addition to any fine, the District may revoke the privilege to use all or some of the facilities of the District for such length of time as is determined appropriate by the District.
- c. In case of amendment of any section of these Ordinances containing the provisions for which a penalty is provided in another section, the penalty so provided in such other section shall relate to the section so amended or the amending section, whether re-enacted in the amendatory ordinance or not unless such penalty is specifically repealed therein.
- d. Whenever a finding of guilty is entered by the Court or a plea of guilty is entered by a defendant, the Court may, in addition to fine imposed, enter an order to pay restitution with restitution to be in an amount not to exceed actual out-of-pocket expenses or loss proximately caused by the conduct of the defendant. The Court shall determine the amount and conditions of payments.
- e. Whenever the Court finds any person guilty of failing to pay a fine assessed for violation of a municipal ordinance, and such person is subsequently incarcerated for contempt of court based on such violation, there shall be allowed a credit of twenty dollars (\$20.00) for each day of incarceration to be applied to that person's outstanding fine.
- f. No provisions of these Ordinances designating the duties of any officer or employee shall be construed as to make such officer or employee liable for any fine or penalty provided in these Ordinances for a failure to perform such duty, unless the intention of the Board to impose such a fine or penalty on such officer or employee is specifically and clearly expressed in the section creating the duty.

Sec. 7.3 Rules and Regulations

The Board of Commissioners shall from time to time promulgate and make reasonable rules, practices, procedures and regulations governing the use of the various areas, facilities, devices and vehicles within the parks, and such rules and regulations shall become binding and effective upon their being posted at

the facility or areas governed by them and shall be enforced with the same force and effect as the other provisions of this ordinance.

Sec. 7.7 United States, State and Local Laws
