GROUP FITNESS GUIDELINES

As advised Members/Guests must be at least age 13 to participate. For aqua classes ages 13-15 must have an adult 18+ years for supervision. We will continue to monitor the current conditions and update you with changes to our schedule.

Schedules are subject to change. Classes are 45 minutes in length. To limit disruptions, please arrive to in-person classes at least 5-7 minutes prior to the start time.

We still monitor class capacity for mobility and safety. Front desk staff will issue class number cards 30 minutes prior to the designated class start time. Please DO NOT arrive any earlier or linger if you're only attending a class. For Aqua Classes participants will be asked to clear the water 5 minutes after the class ends.

You will line up as directed by a staff member to gain access to your class. When the instructor arrives and is prepared, capacity cards will be collected prior to class time. Please be on time. The warm-up is an important component and prepares your body for exercise by increasing circulation to the muscles. To minimize disruptions, there will be NO ADMITTANCE to classes after the warm-up.

If an instructor is unavailable, a substitution format may be offered. Classes are subject to minimum/maximum, instructor/location changes, and/or cancellation at manager's discretion. For inclement weather, outdoor classes will be relocated indoors. Classes may be subject to cancellation if we continue to see low enrollment. Low enrollment is defined as 0, 1, 2 participants in attendance for 3 consecutive weeks. Our goal is to keep classes running.

Prepare for class! Review class descriptions. Have these items ready prior to the start of class to ensure you get the best fitness experience.

Please respect other participants: refrain from private conversations during class.
