Presentation on Possible Public Engagement processes

Two separate companies, Featherstone and LJC, gave presentations on possible public engagement processes.

Public Comment

A resident reminded the board of his interest in the development of a botanical garden at the project site. He stated the LJC companies focus reminded him of the Village's Harmony Square project and since we already have that just three blocks away, it is not what he as a member of the public would be looking for.

Mike Glotz, Tinley Park resident and Mayor congratulated Marie Ryan on her 23 years on the Board. He questioned if Marie Ryan was made aware of these presentations in advance.

Commissioner Comments

Commissioner Ryan stated that it is very exciting that we are at this point and she can't wait to see what else is available to the Park District.

Commissioner Butler asked if we are looking at any other people or was this it?

Executive Director, Shawn Roby, stated we have brought this forward today so the board members could start to see what processes could look like. Ultimately, the Board will give direction on what they would like to see. We are looking for ideas about public engagement. We wanted to bring firms in so you could see ideas, lending credibility to the process.

Adjourn

Commissioner Ryan moved to adjourn to the July 20, regular meeting seconded by Commissioner Butler and carried by a unanimous roll call vote. The meeting adjourned at 5:56pm.
